

**Work Experience**

**Director, Kaiser Permanente (Kaiser Foundation Hospitals), Baldwin Park Medical Center (2018 – present)**

❖ **Service Excellence**

- Provide leadership for service/care experience across medical center inpatient service areas. In conjunction with physician and service line leaders, develop and implement standards to optimize patient experience outcomes. Developed Inpatient Care Experience program across all departments. Collaborate with internal partners (senior leaders, labor partners, physicians) and external Studer consultants. Design and implement system improvements which result in a superior care experience. Lead strategy development, implementation, data monitoring, and communication planning. Monitor trends locally in the Service Area, as well as the external Southern California market. Develop and/or adjust strategy to meet needs of the changing business environment, and work with department managers to operationalize plans.
- Provided leadership to drive excellence in coaching and engagement among KP managers and teams.
- Provided leadership for psychological safety work within the medical center.
- Provided leadership for Patient Advisory Council.

**Director, Kaiser Permanente (Kaiser Foundation Hospitals), South Bay Medical Center (2016 – 2018)**

❖ **Education and Professional Development**

- Provided direction for the planning, development, implementation/delivery, evaluation and improvement of education, training and development programs for inpatient and ambulatory employees and physicians.
- Designed and led implementation of “Role Play Café”, an innovative role play simulation program to improve the culture through improving leader, physician and staff communication (incl. SBAR, nursing communication, team communication, and investment and expectations coaching). Within 3 months of implementing Role Play Café to improve nurse communication, South Bay Medical Center achieved best-in-region & best-in-nation status for the first time.
- Led design and implementation of professional development programs for physicians, educators, and staff.

**Executive Coach and Strategy Consultant at Barrath Consulting (2013-present)**

❖ **Multiple corporate and individual coaching clients, Sigma Theta Tau International, California Planning Roundtable, Venice Family Clinic, Planned Parenthood, and BTL Health**

- Improved client effectiveness through 200+ hours of executive coaching with health care leaders.
- Obtained certifications: from AHRQ, the US Agency for Health Research and Quality as a TeamSTEPS Master Trainer, and from International Coach Federation certification as an Associate Certified Coach.
- Performed strategic planning, consulting, project management and change management on projects with county, state and national health leaders to address community engagement and determinants of health.
- Conducted stakeholder analyses to build teams and partnerships.
- Conducted environmental scans to inform strategic plans for global and local health care organizations.
- Developed innovative programs and service delivery models.
- Leadership in global change management program (NHS Change Day) & Change Day USA.
- Implemented social media strategies to engage stakeholders, curate information, and expand networks.
- Produced reports and presentations: options analyses, literature reviews, discussion and white papers.

**Support Team Lead, Kaiser Permanente Southern California Permanente Medical Group (SCPMG) (2012-2013)**

❖ **System Solutions and Deployment, GenLab Project**

- Led training support teams for Gen Lab project (i.e. Cerner) implementation in labs across Southern California.
- Built relationships with clinical laboratory managers and provided consultation to troubleshoot problems.
- Provided career planning and coaching for transitioning staff.

**Project Director at Division of General Internal Medicine/Health Services Research, UCLA (2011- 2012)**

❖ **Community Engagement & Research Program (CERP), UCLA Clinical & Translational Science Institute (CTSI)**

- Managed key relationships with academic faculty and community partners representing diverse communities with whom we collaborated on community-based projects (i.e., coalition building, consultations, facilitating advisory groups, and community partnerships).
- Managed process to solicit and evaluate proposals for community-engaged research in Los Angeles County.
- Educated physicians on community-engaged research by organizing CEU-eligible seminars.
- Managed day-to-day operations of CERP including staff, budgets, and timelines.

**Director, Alberta Health Services, Alberta, Canada**

**(2007–2011)**

❖ **Primary Care Integration, Community and Rural Portfolio**

(2010-2011)

❖ **Community Health Center Standards, Community and Rural Portfolio**

(2009-2010)

❖ **Professional Practice and Development, Chief Nursing Officer's Portfolio**

(2007–2009)

- Led system-wide strategic initiatives and produced high-level strategic planning documents in collaboration with health system leaders, clinicians, and community stakeholders (e.g., community advisory boards):
  1. Primary Care Strategy (integrated, interprofessional, patient-centered medical homes) for Alberta.
  2. Framework for Primary Care Integration for AHS with focus on (a) strategic and operational alignment and (b) coordination and alignment with government, community groups and healthcare providers.
  3. Framework for Community Health Centers for the province of Alberta.
  4. Rural Health Strategy for the province of Alberta.
  5. Scoping review of Community and Rural Health Planning Frameworks (as foundation for planning community health centers, community and rural hospitals, and urgent care centers).
  6. Implemented the Community and Rural Planning Framework across Alberta, as part of a team that examined social determinants of health and health services utilization to create community health profiles to support operational leaders in short- and long-term planning of health services.
  7. Specialty Nurse Orientation Strategy for RNs in critical care, ER, + OR in urban and rural hospitals of Alberta.
  8. Facilitated strategic planning for clinical simulation for multidisciplinary healthcare teams.
  9. Led an Interprofessional Education Design Team to optimize utilization of patient-centered, interprofessional teams throughout Calgary Health Region. Delivered report ahead of schedule.
  10. Evaluated utilization of clinical trial research nurses and agency nurses throughout Alberta.
- Co-led province-wide community health services accreditation (through Accreditation Canada).
- Workforce optimization with focus on interprofessional care. Led professional practice, professional development, and interprofessional collaboration and education activities among nurses and allied health professionals throughout the Calgary Health Region.
- Participated as health system partner in School of Nursing Curriculum Development at University of Calgary.

**Graduate Assistant, Loma Linda University, California (2005–2007)**

❖ **Pipeline to Registered Nursing/Workforce Diversity Program**

- Provided recruitment support and research assistance for federally funded "Pipeline to Registered Nursing" program designed to recruit and retain minority students.
- Guest lecturer: Disaster Management and Community Health for Nurse Practitioner students.
- Led formation of regional networks of healthcare administrators during a consulting trip to Kenya and South Africa to advance quality of care. Delivered presentations on African & global research and best practice for delivering quality health care in the face of epidemics, cost constraints, and brain drain to wealthy countries. Facilitated workshops to develop strategies to recruit and retain health professionals.
- Hosted and facilitated a 5-day conference on the elimination of healthcare disparities. Conference reached capacity and included several internationally renowned speakers.

**Senior Policy Analyst/Nursing Policy Advisor/Acting Chief Nursing Officer, Nova Scotia Dept. of Health (2002–2005)**

- ❖ **Office of the Deputy Minister- Nursing Advisory Services**
- ❖ **Policy, Planning and Legislation Branch - Strategy Planning and Implementation, Quality Management**
- ❖ **Acute Care Branch - Provincial Osteoporosis Program, Provincial Laboratory Program, Cardiac Health Program**
  - Worked with multi-organizational teams of healthcare leaders representing government (federal and local), regulatory bodies, clinicians, health care and community organizations, unions, and universities to:
    1. End the nursing shortage in Nova Scotia in 3 years (ahead of schedule and on budget),
    2. Develop a Quality Management Framework for Nova Scotia,
    3. Plan healthcare improvement initiatives to improve chronic disease management outcomes.
    4. Improve business processes, business planning and reporting to improve accountability & sustainability.
    5. Implement health system standards and guidelines to improve quality and safety.
  - Initiated and completed province-wide strategies for addressing health system priorities:
    1. Rural and remote recruitment and retention of nurses,
    2. Leadership development for thousands of nurses,
    3. Clinical placement of thousands of students in the health professions, and
    4. Implementation of osteoporosis prevention, diagnostic, treatment and education standards.

**Research Officer, University of Toronto, Canada (2001-2002)**

- ❖ **Nursing Effectiveness, Utilization and Outcomes Research Unit**
  - Planning, publications and presentations for an internationally recognized team of health care leaders, researchers, policy makers and educators involved in health workforce planning. Published a peer-reviewed article. Developed web sites, literature syntheses, and presentations.

**Registered Nurse, Capital District Health Authority, Halifax, Nova Scotia, Canada (2001-2002)**

- ❖ **Short-Stay and Acute Care Psychiatric Units, Abbie J. Lane Psychiatric Hospital, Queen Elizabeth Health Center**
  - Provided comprehensive nursing care to patients and families.

**Consultant, Project Manager and Author at Barrath Consulting (1994 - 2002)**

- ❖ **IWK Health Center: Women's Health Program**
- ❖ **Atlantic Health Promotion Research Center / Maritime Center of Excellence in Women's Health**
- ❖ **Schools of Medicine and Nursing, Dalhousie University, Halifax, NS, Canada**
  - Program developer: Developed a service delivery model for a women's midlife health program.
  - Project manager: Managed health services and workforce policy and planning projects.
  - Public speaker, Policy analyst and Writer: Authored proposals, reports, and articles.
  - Consultant: Advised community-based project teams on health promotion, multicultural health policy, immigrant & refugee, and culturally sensitive health care.

**Research Projects/Grant Support:**

1. 2001-2002: **Health Human Resource Planning: An Examination of Relationships among Nursing Service Utilization, an Estimate of Population Health, and Overall Health Status Outcomes in the Province of Ontario:** for Dr. G. Tomblin Murphy & Dr. L. O'Brien-Pallas, Nursing Effectiveness, Utilization & Outcomes Research Unit, University of Toronto.
2. 2001: **CHSRF Policy Synthesis: "Commitment to Care: The Working Environment and Health of the Nursing Workforce"** for Dr L. O'Brien Pallas, Nursing Effectiveness, Utilization & Outcomes Research Unit, University of Toronto.
3. 2000: **"Baccalaureate Nursing Students' Attitudes and Beliefs about Poverty"** for Dr. D. Meagher-Stewart, School of Nursing, Dalhousie University
4. 2000: **"Adolescent Health Project"** for Dr J. Hughes & Dr. G. Tomblin Murphy, School of Nursing, Dalhousie University.

5. 2000 - 2001: **“Proposal Development: Atlantic Metropolis Center of Excellence”** for Dr C. Amaratunga, Maritime Center of Excellence for Women’s Health, Dalhousie University.
6. 1999 - 2001: **“Health Human Resources Development”** for Dr. G. Tomblin Murphy, School of Nursing, Dalhousie University
7. 1999: **“Proposal Development: Women’s Midlife Health Consortium”** for J. Hockney, Program Director, Women’s Health Program, IWK-Grace Health Center
8. 1998 - 1999: **“Telephone Support for Nurses in HIV/AIDS Care”** for Dr. G. Tomblin Murphy, School of Nursing, Dalhousie University
9. 1997- 1998: **“Health Human Resources Development”** for Dr. J. Hughes, Dr. G. Tomblin Murphy, School of Nursing, Dalhousie University
10. 1997: **“Faculty Research Development”** for School of Nursing Research Committee, Dalhousie University
11. 1997: **“Telephone Support for Parents of Children with a Chronic Illness”** for Dr. M. Stewart, Social Support Research Program/School of Nursing, Dalhousie University
12. 1995 - 1996: **“Seniors’ Self Help/Mutual Aid Research Program”** for Dr M. Stewart, Atlantic Health Promotion Research Center/School of Nursing, Dalhousie University
13. 1995 - 1997: **“Parents and Children in Partnership Program”** for Dr. J. Hughes, School of Nursing, Dalhousie University
14. 1994 – 1996: **Interviewing Skills in Problem-Based Medical Interviews:** Dr D. Kauffman, Dr K. Mann, and B. Prime-Walker, School of Medicine, Dalhousie University.

**Lecturer and Teaching Assistant, Dalhousie University, Halifax, Nova Scotia, Canada (1994 - 2002)**

- Lecturer in leadership and health policy, nursing ethics, multicultural health, communication (advanced), teaching and learning, human development, and nutrition.
- Effective in inspiring students to become health leaders and excellent writers.

**Registered Nurse and MN Student, Capital Health, Halifax, Nova Scotia, Canada (1993-1994)**

- ❖ **Psychiatry Clinics, Day Hospital, + Inpatient Units, Abbie J. Lane Psychiatric Hospital and Nova Scotia Hospital**
- Worked as therapist in psychiatric-mental health day treatment programs + clinics. Provided brief solution-focused + cognitive-behavioral therapy to patients diagnosed with anxiety, depression + bipolar disorder.

**Registered Nurse, Clinical Instructor, Preceptor & Student, Addington Hospital, Durban, South Africa (1987-1991)**

- ❖ **Community-based Care** (incl. community health centers, community-based organizations, home visits and clinics)
- ❖ **Acute Care** (medicine, surgery, orthopedics, pediatrics, obstetrics, gynecology, OR, ER, psychiatry & oncology).
- Provided comprehensive nursing care to a range of populations (from neonates to geriatrics). Practiced predominantly in oncology and neonatal ICU. Practiced midwifery.

**Education and Professional Development**

**PhD courses (Health Policy and Management, Nursing) (2005-2007)**

Loma Linda University, Loma Linda, California, USA

**Master’s in Nursing (1992-2000)**

Dalhousie University, Halifax, Nova Scotia, Canada

Thesis: Refugee Mothers’ Perceptions of Stress Related to the War in the Former Yugoslavia

Clinical Specialty: Psychiatric/Mental Health Nursing

**Bachelor of Social Science (Nursing) (1987-1990)**

University of Natal, Durban, South Africa

Majors: \* Nursing (General, Psychiatric, & Community Health Nursing, Midwifery)

\* Industrial Sociology and Labor Relations

Certifications and Courses

**Associate Certified Coach (ACC): 2015-2021**

International Coach Federation

**Coaching High Performing Teams; Masterminding as Group Coaching; Resolutionizing Conflict; Coaching for Emotional and Psychological Safety**, Accredited by International Coach Federation (2019)

Elevar Group

**Executive Coach Certification, Marshall Goldsmith Stakeholder Centered Coaching**, Accredited by ICF (2019);  
**Team Stakeholder Centered Coaching Certification (2019); Global Leadership Assessment/GLA 360 (2019)**

Marshall Goldsmith Stakeholder Centered Coaching

**Executive Coach Training Program**, Accredited by International Coach Federation (2014)

Center for Nonprofit Management/Dr. Damian Goldvarg, Goldvarg Consulting Group, Los Angeles, California

**TeamSTEPPS Master Trainer, TeamSTEPPS National Implementation (2014)**

Agency for Healthcare Research and Quality, Minneapolis, USA

**Change Agent, School for Health and Care Radicals and NHS Change Day (2014-2016)**

NHS Improving Quality (Horizons Team)

**Professional Trainer, Train-the-Trainer Program (2013)**

Kaiser Permanente, Facilitated by former ASTD-LA President, Debbie Newman, Pasadena, California

**Nursing Leadership, Dorothy M. Wylie Nursing Leadership Institute (2003-04)**

University of Toronto, Canada

**Crisis Management, Nonviolent Crisis Intervention (2001)**

Capital District Health Authority, Halifax, Nova Scotia, Canada

**Facilitator Training, Clearing their Path: National Play Program for At-risk Refugee Children (1999)**

YWCA - Canada, Halifax, Nova Scotia, Canada

**Disaster Management, Disaster Response Certification (1997-1998)**

Adventist Development and Relief Agency (ADRA Canada), Oshawa, Ontario, Canada

**Facilitator Training, Family Violence Awareness Certification (1997)**

Metropolitan Immigrant Settlement Association, Halifax, Nova Scotia, Canada

**Nonprofit Board Leadership, Executive Skills for Nonprofit Boards (1993)**

Canadian Federation of Students, Halifax, Nova Scotia, Canada

**Critical Care Nursing, Critical Care Refresher Certificate (1990)**

University of Cape Town, South Africa

**Basic Ambulance and Emergency Response Certification (1989) (Passed with Distinction)**

Natal Technikon/Natal Provincial Administration, South Africa

Community Leadership/Volunteer Experience

- **Toastmasters International: KP South Bay Toastmasters** – Founder, President (2016-present)
- **Sigma Theta Tau International Nursing Honor Society** - Advisory Council on Policy (2014-2017)
- **California Planning Roundtable** - Healthy Communities Workgroup (2014 –2015)
- **Taproot Foundation** – Healthcare Strategy Consultant (2014-2015)
- **Metropolitan Immigrant Settlement Association**, Board of Directors, Advisory Committee (2000-2005)
- **Nova Scotia Council on Multicultural Health**, President, Treasurer (1995- 2005)
- **Chebucto West Community Health Board**, Vice Chair (2000-2002)
- **IWK Health Center Multicultural Health Committee**, Board of Directors (2000-2002)
- **Community Care Network Society/Parker Street Food and Furniture Bank**, Board of Directors (1998-2000).
